*** For your application to be processed, you must attach the following information prior to submitting it for consideration by April 17, 2020

- Official sealed transcripts for the Fall semester prior to the summer for which you are applying.
- Formal outline (direct from the educational institution) of the Spring semester courses that you are currently enrolled in. (Upon completion of the Spring Semester, you will be required to provide sealed official transcripts of your grades).
- If you have received acceptance for a program starting in the Fall semester following the summer for which you are applying, please attach a copy of that acceptance to your application.
- Resume and cover letter.
- Applicants who have not worked as summer students at Harmac previously must supply 2 written letters of reference from previous employers.
- To be considered for summer student employment you must be enrolled and pass eight courses in the Fall and Spring semesters (total of 24 credits).
